Gordon Korman offers another edge-of-your-seat action/adventure in a return to the trilogy format that sold more than 1 million copies of *Island*, *Everest*, and *Dive*. It's every brother's worst fear: As Aiden and his sister Meg are walking home from school one day, a van pulls over and Meg is kidnapped. There's no way for Aiden to stop it from happening. He's the only witness to his sister's disappearance. Why has Meg been kidnapped? Is it for ransom? As a vendetta against Meg and Aiden's parents? Or is there an even bigger conspiracy at work? While Meg fends off her kidnapers and plans an escape, Aiden must team up with the FBI to try to find her--tracking down clues only a brother could recognize.

Reviews of the **The Abduction (Kidnapped, Book 1) by Gordon Korman PDF**

100 stars. I always HATED reading. No book could ever keep my attention but then when i first found this series when I was in elementary school like 15 years ago or so I just couldn't put it down. And then I read the second and loved it even more. And so forth with the third. I still can not read a book other than this series. *have not tried any other of Gordon Kormans books*

Keel

I really enjoyed listening to the audiobook edition of this book. The dramatization/performance by the readers was excellent.

The story is fabulous from start to finish and very engaging. I liked the action in this novel. I felt the author did a wonderful job of empowering the kids in this book and making the kids resourceful and creative in their approach to the world and how to deal with attackers.

Fenrikree

Very satisfied with this item. Delivery was right on time. No problems at all. I would order from them again.

Usanner

My 9 year niece told me to read this because her teacher had read it to her class so I read it to have something to talk about with her but... I'm hooked! haha I'm on book three and loving them!

Zulkishicage

This is the best book / series ever

Auridora

This book was awesome! It is great for kids or preteens. I absolutely loved it and I think you should read it.

Arador

I have read a bunch of Gordon Korman's books and On The Run has so far been my favorite . But, I like how this series is about the same people as On The Run. I love Gordon Korman!!!

The Abduction

The book description was accurate.
