Fancourt is a luxurious multi-million rand golf estate in George in the Western Cape. It has four golf courses, a health and beauty centre and a conference centre, among other amenities. And it is the home of the 2003 Presidents Cup, which brings together the 12 best American golfers to compete against the 12 best players from the rest of the world (excluding Europe) attracting golf enthusiasts from around the world. While the golf courses at Fancourt are becoming increasingly well known, the colourful history of the estate has never been told. Until now.
